HEALTH & SAFETY GENERAL POLICY STATEMENT

It is the policy and aim of LINIAN Engineering Sales Ltd to provide and maintain as far as reasonably practicable a place of work that is a safe and healthy working environment without risk to company employees and others working for and on behalf of the company or visiting our place of work.

The company will adopt a General Health & Safety Policy, and where necessary this will be complimented by specific documents relevant to the work being undertaken by its employees/agents.

The company will, in the conduct of its activities and so far as is reasonably practicable: -

- Comply with all relevant statutory regulations as far as reasonably practicable.
- Promote safety awareness by providing suitable information and ensure communication in this important area of management is maintained and documented where applicable.
- Provide adequate information, instructions, supervision and required training as is necessary to ensure the health and safety of employees and others while at work.
- Provide suitable and sufficient welfare facilities.
- Conduct suitable and sufficient assessments on any risks in relation to health or safety, and take appropriate action.
- Minimise the risks associated to all work activities, products and services.
- Ensure at all times safe systems of work are adopted and effectively communicated.
- Monitor any activity which may endanger the health of an employee, and where applicable make arrangements for health surveillance.
- Make arrangements for ensuring safety in connection with the use, handling, storage and transport of articles and substances.
- Provide all necessary safety devices and protective equipment to perform a work task safely, and ensure the provision and maintenance of work equipment.
- Commit to this policy in assisting to develop and maintain a positive safety culture at all levels and throughout all activities conducted by the company.

Employees/Agents appointed by the company must be aware that they have a legal duty under the Health & Safety at Work Etc Act 1974 to take reasonable care for the health, safety & welfare of themselves and also other persons who may be affected by their acts or omissions during the course of their work.

The successful implementation of the above policy statement requires a total commitment from staff at all levels within the business. This policy will be regularly monitored to ensure that the stated objectives are met and achieved, and it will be reviewed annually, and updated to reflect legislative or organisational changes.
